

POOL FINANCING SIMPLIFIED

Paramount Capital is a free service provided to all customers working with an authorized Paramount pool dealer.

We help customers find and obtain sound financing solutions for their backyard dreams. We provide each customer with program details and guidance to facilitate the best financing option for their individual goals.

Paramount Capital is not the lender but we do work with multiple lenders nationwide in helping customers find financing. We are a value-added service to all Paramount dealers and customers.

Paramount Capital Can Help Make Your Dream Pool A Reality.

- Unsecured term loan programs (no equity required)
- Equity programs
- Low fixed and variable rates
- Lender programs available in all 50 states
- Additional cash out
- Zero or low closing cost programs (lender and state specific)
- No pre-payment penalties
- **WE DO NOT pull your credit so there is no impact on your credit score**

Once we receive and pre-screen your application, we help you through the process of choosing a program or lender that best fits your needs.

Our no fee and no obligation service to find the right lender for you is the reason why we are the leaders in the pool industry. Fill out the pre-application and take one step closer to swimming in the pool of your dreams.

A POOL THAT CLEANS ITSELF SO YOU DON'T HAVE TO

As a leader in the pool industry, Paramount offers in-floor cleaning and circulation systems to keep your pool 99% clean and swim ready guaranteed.*

Manufactured in the U.S.A. and made of the highest quality plastic materials for compatibility with the swimming pool environment and long service life.

Building a pool with a Paramount in-floor cleaning and circulation system will mean less routine maintenance and more time enjoying your pool with your family. Visit www.1Paramount.Com and see how easy it is to own a pool.

Now that's pool life simplified.

*Minimum maintenance required
